REPORT TO COUNCIL

SUBJECT

Proclamation of Black History Month

BACKGROUND

The month of February was officially recognized as Black History Month by the United States Government in 1975 and since then, February has been designated as Black History Month.

Black History Month is an annual celebration that honors the achievements and recognizes the important contributions by African Americans throughout our nation's history in their pursuit for freedom and equality. Black History Month honors the historic leaders in the African American Community who have fought for civil liberties and racial equality. The celebration of Black History Month serves as a reminder to remember those who have sacrificed and suffered for the sake of racial equality and to honor those achievements that have shaped the United States.

DISCUSSION

As a Special Order of Business, the City Council would like to recognize the month of February 2019 as Black History Month.

In honor of Black History Month, the Mayor has signed a City Proclamation, proclaiming the month of February 2019 as Black History Month in the City of Santa Clara, and will present the proclamation to the African American Community Services Agency (AACSA).
