REPORT TO COUNCIL

SUBJECT

Action on Bills and Claims Report (CC, SA, HA) for the period June 21st - July 25th

BACKGROUND

Disbursements made by the City are based on invoices submitted for payment. Prior to payment, staff reviews all disbursement documents to ensure they are reflective of the goods or services provided. Invoices are usually paid within 30 days of receipt of an accurate invoice. As the final step, the City Auditor, or her designee verifies all documents before payment is issued. Payments are issued through accounts payable checks and wire transfers. It's important to note that items that pertain to the Stadium Authority are billed to the Stadium Manager (ManCo) to pay on behalf of the Stadium Authority for Non-NFL events and the 49ers for NFL events.

The Bills and Claims Report represents the cash disbursements required for operations of the City during the period. The report reflects the payment date, invoice number, description of the payment, funding source, and payment amount for all invoices. The budget control is set by the City Council through the budget adoption process.

Significant expenditures in this time period include:

- Payment to Northern California Power Agency in the amount of \$14,083,351 for July 2019 all resources bill and Western Restoration fund.
- Payment to Tri-Dam Authority/Project in the amount of \$5,171,780 for June 2019 Hydroelectric purchase.

gas purchases.

- Payment to Friant Power Authority in the amount of \$2,398,444 for June 2019 energy purchase.
- Payment to Santa Clara Water District in the amount of \$1,868,006 for April and May 2019 Pump Tax, a groundwater charge that is used to pay for the protection and augmentation of water supplies in the basin.

Payments to the Forty Niners Stadium Management Company LLC (ManCo) are not included in the City's Bills and Claims report as they are currently reported through a separate Stadium Authority Bills and Claims report. Stadium Authority related payments in the City's Bills and Claims report include general administrative, materials, and supplies expenses of approximately \$34,947. Included in this amount are expenses to Santa Clara County Sheriff Department for April and May 2019 stadium special law enforcement services and Arini Geographics for May 2019 GIS operational awareness for Public Safety and software application platform service and maintenance. These expenses are reimbursed to the City by the Stadium Authority.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(b)(4) in that it is a fiscal activity that does not involve any commitment to any specific project which may result in a potential significant impact on the environment.

FISCAL IMPACT

The expenditures of \$47,823,775 were appropriated to various funds with the adoption of the Fiscal Year 2018/19 Budget, as amended.
