SUBJECT

Grant Activity (Shariat)

BACKGROUND

Staff will provide a current status update on grant-funded transportation projects that the City has applied for (attachment provided). As clarification to the Bicycle and Pedestrian Advisory Committee, a project that is listed as “pending” means that the City’s grant application is still being reviewed by the funding agency or is in the approval process. A project that is listed as “on-going” means that the City has been awarded the grant funds and is proceeding with the project.
