REPORT TO COUNCIL

SUBJECT

Action on a request for a Special Permit to allow a Christmas Tree sales Lot at 3705 El Camino Real

BACKGROUND

The applicant, Thomas M. Fargo on behalf of The Save Mart Companies, is requesting a two-year Special Permit pursuant to Zoning Code Section 18.60.030 to allow for a Christmas tree sale in the parking lot of the Lucky Supermarket located at 3705 El Camino Real. The property is currently zoned CC - Community Commercial, which allows for retail activity as a permitted use, but does not specifically allow outdoor sales uses such as a Christmas tree sales lot. Zoning Code Section 18.60.030 requires issuance of a Special Permit by the City Council in non-industrial zones for any use not otherwise regulated within the Zoning Code.

The shopping center property is on the north side of El Camino Real and adjacent to Lawrence Expressway along its eastern edge. Surrounding land uses include commercial uses to the east, west and south along El Camino Real and an apartment complex to the north.

DISCUSSION

The Save Mart Companies owns and operates Lucky stores in Northern California and has ordered trees to sell to customers at this location for a period of four weeks. The Christmas tree sales will include the installation of a 15 by 150-foot outdoor chain link fence and displace 20 parking spaces. The Christmas tree lot sales will occur on November 29, 2019 through December 24, 2019 and November 27, 2020 through December 24, 2020. Hours of operations shall be consistent with store hours from 6:00 a.m. to 1:00 a.m. The Christmas tree lot will not have additional lighting or generators on-site. The attached permit articulates the required findings that the City Council must make to approve the subject request. The permit also contains a series of permit conditions that address allowable hours of operation, additional permit requirements, cleaning of the lot, nuisance criteria, and various other criteria.

The proposed temporary use, with limited duration is not anticipated to adversely impact the surrounding land uses in that the event will occur for a period of four weeks and will be subject to conditions which mitigate any potential negative impact. The Special Permit is subject to revocation should problems arise.

ENVIRONMENTAL REVIEW

The action being considered is exempt from the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15304(e) (Class 4 - Minor Alterations to Land) as it consists of the minor temporary use of land having negligible or no permanent effects on the environment; the sale of Christmas trees is specifically listed as a permissible temporary use under the Class 4 CEQA exemption.

FISCAL IMPACT

There is no cost to the City other than administrative staff time and expense. The applicant paid for the necessary permit fees.
