REPORT TO PARKS & RECREATION COMMISSION

SUBJECT

Potential Names for Inclusion on the Parks & Recreation Commission's Consideration List of Proposed Names for Public Parks

BACKGROUND

According to Council Policy No. 035 (Attachment 1) the City Council names municipal facilities using the following guidelines:

- Individuals, living or deceased, who have made outstanding contributions to the City of Santa Clara or Santa Clara community;
- Individuals, living or deceased, who made contributions of local, state, national, or worldwide significance;
- Geographic location, prominent environmental feature(s), or historical significance of the area that the building/facility is located.

According to the same policy, the Parks & Recreation Commission (Commission) reviews all naming proposals for public park facilities at a publicly noticed meeting and make a recommendation to the Council Governance and Ethics Committee. The Governance and Ethics Committee reviews all naming recommendations at a publicly noticed meeting and may deny the recommendation or make a recommendation to the City Council for final approval.

At the November 19, 2019 Commission meeting (Attachment 2), the Commission recommended that the naming of the New Neighborhood Park located at 1205 Coleman Avenue, and the New Public Park located at 2343 Calle Del Mundo be tabled until one month after a comprehensive list of potential park names is developed by the Commission for consideration. In addition, the Commission recommended that each commissioner provide staff a list of three to four names (with sufficient background information about the name in conformance with the Council Policy) by the January 21,

2020, Parks & Recreation Commission meeting.

DISCUSSION

Under Council Policy No. 035 the Parks & Recreation Commission makes recommendations to the Governance and Ethics Committee for names of facilities relating to the Commission's purview, such as parks. Proposed names must be in accordance with at least one of the criteria outlined in Council Policy No. 035.

While staff does not have a recommendation for any particular name(s), it advises the Commission to develop and provide a biographical sketch for each person nominated for consideration for inclusion on a list. The biography will provide an account of the life and activities of the individuals including the person's name, place of residence, education, occupation, life, and activities. The information will form the basis of review and consideration prior to a recommendation to the Governance & Ethics Committee. If the proposed name of a facility or park is not a person, commissioners are recommended to include a rationale for the name.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a project within the meaning of the California Environmental Quality Act ("ECQA") pursuant to CEQA Guidelines section 15378(b)(5) in that it is a governmental organizational or administrative activity that will not result in direct or indirect changes in the environment.

FISCAL IMPACT

There is no fiscal impact to the General Fund for the current action.

COORDINATION

This report has been coordinated with the City Attorney's Office.

Public contact was made by posting the Parks & Recreation Commission agenda on the City's official-notice bulletin board outside City Hall Council Chambers.
