DISCUSSION

In accordance with the adopted Internal Audit Charter, the City Auditor prepares an annual work plan and issues semi-annual reports to the City Council describing the status and progress towards completion of the work plan. The Semi-Annual Status Report (Attachment 1) summarizes reports issued, other activities, assignments in process, and the status of the work plan. During the period

from July 1, 2019 thru December 31, 2019, the City Auditor's Office issued one internal audit report, Contract Audit of the Public Affairs and Media Relation Services (Attachment 2).

The City Auditor and staff met with the City Council Audit Committee on March 4, 2020. Present were Committee members Gillmor, Hardy and Watanabe. During the Committee meeting, the City Auditor gave a presentation about the audit process and scope of work, as well as the audit finding for the Contract Audit of the Public Affairs and Media Relation Services report. The City Auditor also provided a status update on the projects in the work plan and responded to Committee member questions. The Audit Committee accepted the Semi-Annual Status Report and the Contract Audit of the Public Affairs and Media Relation Services presented at the Committee meeting and recommended that the City Council note and file the reports at the March 17, 2020 Council meeting.
