## REPORT TO COUNCIL

### SUBJECT

Update on City Council and Stadium Authority Staff Referrals [Council Pillar: Enhance Community Engagement and Transparency]

### BACKGROUND AND DISCUSSION

During Council and Stadium Authority meetings, the City Council or Stadium Authority Board provide direction on policy issues or refer information requests to staff for follow-up.

The purpose of the City Council and Stadium Authority Referrals Update is to provide the City Council/Stadium Authority Board and the public a current status report. Completion of the referrals may be communicated by various means such as: Report to Council, Information Memorandum provided through a Council Agenda, City Manager Biweekly Report/Blog, or a City Manager/Executive report out during a future Council meeting.

The Referrals list will be published in the Council agenda packet under the “City Manager/Executive Director Report” section of the Council Agenda. Reports will include both open and closed referrals.
