## REPORT TO DOWNTOWN COMMUNITY TASK FORCE

### SUBJECT

Public Works Traffic Engineering Informational Presentation

### BACKGROUND

At the request of the Task force, Public Works department staff has prepared information about transportation in and around the Downtown, including information about Lafayette Street and its flex lane.

For reference, attached to this report is an excerpt (Section 7. Movement) of the Existing Conditions Report, prepared by the City's consultant, WRT, at the beginning of the Downtown Precise Plan planning process. This section of the report discusses the existing transportation context for transit and vehicles.

### PUBLIC CONTACT

Public contact was made by posting the DCTF agenda on the City's official-notice bulletin board outside City Hall Council Chambers. The agenda is also posted on the Downtown Precise Plan website. A complete agenda packet is available on the City's website and in the City Clerk's Office at least 72 hours prior to a Regular Meeting and 24 hours prior to a Special Meeting. A hard copy of any agenda report may be requested by contacting the City Clerk's Office at (408) 615-2220, email [clerk@santaclaraca.gov](mailto:clerk@santaclaraca.gov) <<mailto:clerk@santaclaraca.gov>>.

### RECOMMENDATION

There is no staff recommendation.

Reviewed by: Andrew Crabtree, Director, Community Development Department

Approved by: Manuel Pineda, Assistant City Manager
