## REPORT TO YOUTH COMMISSION

### SUBJECT

COVID-19 Information and Updates (Presented by Dr. Dylan Kann, Pediatric Disease Specialist, Kaiser Permanente)

### BACKGROUND

The City of Santa Clara Youth Commission's Work Plan Goals for the 2020-21 term included a Health & Wellness component to highlight physical and mental health resources focused on the youth and teen population. The Health & Wellness committee expressed an interest in inviting a health professional familiar with COVID-19 to share current information and best practices. City staff were connected the local Kaiser Permanente Public Affairs Representative with the Youth Commission to schedule Dr. Kann.

### DISCUSSION

Dr. Kann will share information on accurate, reliable sources of information on COVID-19, address myths and misconceptions, vaccinations in relation to youth and teens, and how to maintain mental and physical health while adhering to current public health orders. There will also be an opportunity for questions during and after the presentation.
