SUBJECT

Consider a Request from the Santa Clara Police Activities League for a Wade Brummal Youth Sports Grant Program Financial Grant in the Amount of \$2,420.07 for the Santa Clara BMX Facility

COUNCIL PILLAR

Enhance Community Sports, Recreation & Arts Assets; Enhance Community Engagement and Transparency

BACKGROUND

The Wade Brummal Youth Sports Grant Program Fund (Fund) was established in memory of Santa Clara resident and youth sports enthusiast Wade Brummal. The Fund supports financial grants to local Santa Clara youth sports organizations to assist resident youth who have financial challenges to participation in Santa Clara based youth sports programs through reimbursement of registration, equipment, program fees and other related costs. In the past, the program was primarily funded through revenues from an annual golf tournament held at the now closed Santa Clara Golf & Tennis Club, and community donations.

On October 27, 2015, upon recommendation of the Parks & Recreation Commission, City Council approved a fee in the amount of \$25 per non-resident youth who participate in Santa Clara youth sports organizations as a means of funding to provide funding. The youth sports organizations provide season rosters to the Parks & Recreation Department and identify non-resident players, and the organization then pays \$25.00 per non-resident player, and the City deposits the revenue into the Fund. Fees are received for each season of non-resident participation based on submission of rosters and use of City facilities.

In order to receive a financial grant from the Fund, a qualifying organization must meet established eligibility criteria including: (1) the organization must be a City of Santa Clara non-profit, sports, or

school organization serving youth 18 years and under; (2) funds must be used for covering registration and/or participation fees, enhancing service, training, equipment, facilities or other expenses related to the sport, league or activity; (3) requests are limited to one request per organization, per sport; and, (4) a limit of \$500 per group, per request. Grant Fund requests beyond \$500 are reviewed by the Parks & Recreation Commission and payments are administered by the Parks & Recreation Department. From 2015 to 2019, the Fund was supported by and provided six (6) organizations with financial grants for youth from low income households to participate in the sports programs. In 2020, a seventh youth sports organization was included in the program. As of November 2021, the Fund balance is \$128,365.

DISCUSSION

In October 2020, Santa Clara Police Activities League (SCPAL) requested a financial grant in the amount of \$2,420.07 (Attachments 1 & 2) for reimbursement of repairs to fencing at SCPAL BMX facility, including installation of new safety barrier fencing between the track and spectators. The new fence will keep spectators from having direct access to the track and reduce the potential for an accident between spectators and participant riders during a race.

SCPAL is a nonprofit Santa Clara based youth sports organization dedicated to teaching youth the values and rewards accomplished through athletics, self-determination, self-belief, goal setting, teamwork, and respect for others. SCPAL programs include Soccer, Boxing, Bicycle Moto-Cross (BMX), Girls' Softball, Judo, Wrestling, Flag Football, Fishing and Police Explorers. SCPAL programs serve approximately 1500 youth from 5 years to 18 years of age in the City of Santa Clara. SCPAL has contributed to the Wade Brummal fund and has met the fee requirements during the 2021 calendar year.

The Recreation & Parks program staff have reviewed the request for reimbursement and determined that this request meets the grant guidelines.
