REPORT TO BICYCLE AND PEDESTRIAN ADVISORY COMMITTEE

SUBJECT

Grant Activity (Shariat)

BACKGROUND

At each Bicycle and Pedestrian Advisory Committee (BPAC) meeting, staff provides a status update on grant funded bicycle and pedestrian related transportation projects that the City has pursued (Attachment 1). As clarification to the BPAC, a project listed on Attachment 1 with a status of "Pending Approval" indicates that the City's grant application is being reviewed by the funding agency or is in the approval process. Additionally, a project that is listed on the attachment as "Ongoing" indicates that the City has been awarded the grant funds and will be or is currently working on the project.

In response to Committee members' request, staff added reference to applicable bicycle plans for funded projects
