### REPORT TO COUNCIL

#### **SUBJECT**

Report from the Mayor and Police Chief on “Commit to Action” Initiative Efforts and Action on Establishing a Community-based Task Force on Diversity, Equity, and Inclusion and Council Appointment of Task Force Members [Not to be Heard Prior to 6:00 PM]

#### **BACKGROUND**

At the July 14, 2020 City Council (Council) meeting, the Council delegated authority to Mayor Gillmor and Police Chief Nikolai to establish an Ad Hoc Committee in support of former President Obama’s “Commit to Action” Initiative (Initiative). With an understanding of this historic window and sense of urgency for meaningful change, the Council expressed support for engaging in a local community dialogue on a Santa Clara Plan to address the four components of the Initiative (Attachment 1) and identify key issues facing the City of Santa Clara (City) involving historically disenfranchised individuals or communities. Establishing a community-based task force will enable the City to engage the local community in an open dialogue and will help the City take actions to achieve racial equity by working to ensure that all Santa Clarans have access to an equal quality of life and equal access to opportunity.

#### **DISCUSSION**

Mayor Gillmor and Police Chief Nikolai met regularly over the last 10 weeks and engaged help and assistance from the following individuals who expressed a strong interest in the Initiative work effort: Andrew Knaack, FY2019/20 Chair of the Parks and Recreation Commission; Darius Brown, Member of the Housing Rehabilitation Loan Committee (HRLC); and Neil Datar, Former Chair of Santa Clara University’s Student Senate for Associated Student Government and recent graduate of Duke University School of Law. Councilmember Kathy Watanabe and Councilmember Teresa O’Neill participated in the meetings as well, and provided guidance, leadership, and research findings.

We are also fortunate to have established a Memorandum of Understanding (MOU) with Santa Clara University under President Father Kevin O’Brien for a collaboration with the Markkula Center for Applied Ethics (MCAE). The MOU is included in this report as Attachment 2. Part of our collaboration will include MCAE working as an advisor to the proposed, community-based Task Force on Diversity, Equity, and Inclusion (Task Force) and helping to establish the Task Force’s Mission Statement and Values Statement. MCAE will also advise on processes to implement a series of community conversations, which will engage and empower a broad spectrum of stakeholders.

Over the last several weeks, Joan Harrington, MCAE Director of Social Sector Ethics, has been assisting the Ad Hoc Committee with developing a proposed mission statement and organizational model, as well as advising on methods for engaging the community. The Ad Hoc Committee has developed a proposed Mission Statement that reflects the purpose and goals of the Task Force.

**Proposed Mission Statement and General Governance:**

**“In response to the national call for police use of force reform, the City of Santa Clara created the Task Force on Diversity, Equity, and Inclusion. Through an open dialogue with the communities of Santa Clara and directed by community input, the Task Force shall make recommendations for changes in government policies, structures, services, and culture that negatively impact or do not fully benefit historically disenfranchised communities. The Task Force will continuously involve the communities on recommendations and progress.”**

The Task Force will be overseen by the Mayor and Police Chief and led by community members appointed by the Council. The Task Force will consist of up to seven community members who will help review police use of force policies and engage communities to seek a diverse range of input, experiences, and stories. The Task Force will report findings to the Council and bring forward recommendations for policy reform shaped and informed by community input. Meetings of the Task Force will be subject to the Brown Act.

At its September 17, 2020 meeting, the Ad Hoc Committee recommended that, upon the Task Force’s establishment, Andrew Knaack, FY2019/20 Chair of the Parks and Recreation Commission; Darius Brown, Member of the HRLC; Neil Datar, Former Chair of Santa Clara University’s Student Senate for Associated Student Government; and Dianna Zamora-Marroquin, Political/Communications Director at the South Bay AFL-CIO Labor Council, be appointed to lead the Task Force. The established Task Force will interview and recommend community members to the Council for appointment to the Task Force’s remaining three seats.

In an effort to build a coalition of community partners representing diverse perspectives, the Task Force will identify community members or organizations already doing related work and who share an interest in addressing the issues. The Task Force will be charged with recommending an advisory board to the Council for appointment.

**Task Force’s Timeline and Goals**

After the appointment of the remaining three seats, the Task Force will then set specific short-term and long-term goals, with an associated timeline (below). The Task Force will be first tasked to gather information, formally engage community organizations, and request assistance in identifying historically disenfranchised residents, with a special focus on those who are traditionally unheard.

As the foremost responsibility of the Task Force is to listen to all communities within the City and hear their unique concerns, it will host listening sessions with the intent of capturing stories and experiences from individuals and groups. Through these listening sessions, the Task Force will then identify key overarching issues facing the City.

After identifying issues with the community, both short and long-term recommendations on policy reform and strategies will be brought to the Council.

**Tentative Timeline**

**October 2020 - December 2020:** Establishment of Task Force and Advisory Board. Task Force and Advisory Board will collaborate and conduct initial review of police use of force policies and other city policies.

**November 2020 - June 2021:** Engage the community by encouraging all residents to attend listening

sessions to participate and support dialogue around systemic inequalities. Community engagement will allow for a diverse range of input, experiences, and stories, and will help ensure that the voices of communities of color are included as the main focus of the Task Force's considerations in developing policy and strategy recommendations. The Task Force will conduct an additional review of police and city policies that are brought forward during the listening sessions.

**August 2021 - September 2021:** Report the findings of the review to the community and seek feedback from the community on possible recommendations on policy reform and strategies to the Council.

**October 2021 - November 2022:** Present findings and recommendations to the Council that will reform the City's police use of force policies and any governmental policies, structures or culture that negatively impact or do not fully benefit historically disenfranchised communities and present possible recommendations to the Council on City Charter changes, one of which may be to establish Oversight Body or Commission.

### **City Staff Support**

At this time, City staff will be needed to help supply information, support meetings of the Task Force, and provide communications and outreach to the community. Translation services will be needed as well.

If expert consultants are needed for the Task Force, specific requests can be brought back to the Council for consideration.

### **ENVIRONMENTAL REVIEW**

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(b)(5) in that it is a governmental organizational or administrative activity that will not result in direct or indirect changes in the environment.

### **FISCAL IMPACT**

There is no fiscal impact to the City associated with this report other than administrative time to support this effort. The City will use existing funds within the approved budget to absorb the cost of translation services and, if additional appropriation is needed, we will return with a request.

### **COORDINATION**

This report was coordinated with the City Attorney's Office and City Manager's Office.

### **PUBLIC CONTACT**

Public contact was made by posting the Council agenda on the City's official-notice bulletin board outside City Hall Council Chambers.
