COUNCIL PILLAR

Enhance Community Engagement and Transparency

BACKGROUND

The California Political Reform Act requires all public officials, employees, and consultants who make or participate in the making of governmental decisions to disclose any economic interest that could be affected by those decisions. Under Government Code Section 87302 of the Political Reform Act, certain designated officials and employees of the City are required to file a Statement of Economic Interest (Form 700) because of the nature of their position with the public agency. These officials, staff members and consultants serve in positions that have been designated by the City's Conflict of Interest Code as being required to file such statements.

Local agencies are required to conduct a periodic review their Conflict of Interest Codes to determine if they are accurate, or alternatively, if the Codes must be amended. Amendments are necessary periodically, particularly when new official or employee positions are added, deleted, or responsibilities are changed.

DISCUSSION

The accompanying Resolutions provide that the City of Santa Clara's and Authorities' Conflict of Interest Codes be amended to include an updated List of Designated Positions Required to File. Changes that occurred from the prior version of the Conflict of Interest are redlined in the Attachments.

Below is a summary of the changes from the prior version:

1. Updated Designated Positions:

The list of Designated Positions have been updated to add new job classifications or titles and remove those no longer applicable to the City. We have also added the following Commissions and Boards to the Conflict of Interest Code due their involvement in making city decisions.

- Cultural Commission
- Board of Library Trustees
- Deferred Compensation Committee
- Parks and Recreation Commission
- Salary Setting Commission

2. Consolidation of Disclosure Categories

The City's prior Conflict of Interest Code contained approximately 22 different disclosure categories. The majority of these categories were redundant as each category related to a specific department's contracts. We have consolidated those categories by creating a general disclosure category that applies to each designated position applicable department's contracts. Also, we eliminated the disclosure categories that are no longer applicable for existing designated positions.

3. Update of Consultant and New Positions language:

Under the Political Reform Act, an individual consulting to a government agency is required to file a Form 700 when they assume office and annually thereafter if the consultant makes governmental decisions as defined in the FPPC regulations or when they serve in a staff capacity and participate in governmental decisions or performs the duties of an individual in the agency's conflict-of-interest code. Not every person that is subject to the Act has to file a Form 700, just statutory filers who are expressly listed in the Act and designated officials who the agency designate in the conflict of interest code, which includes new positions or consultants who meet the standard above.

We have included language regarding consultants and new positions that provides the City Manager or Executive Director, as applicable, have the authority to determine which consultants or new positions that will be subject to the Conflict of Interest Code and the ability to assign the applicable disclosure category.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(b)(5) in that it is a governmental organizational or administrative activity that will not result in direct or indirect changes in the environment.

FISCAL IMPACT

There is no cost to the City other than administrative staff time and expense.
