REPORT TO COUNCIL

SUBJECT

Adoption of a Resolution Ordering the Vacation of Electric Easements at 1525 Alviso Street

BACKGROUND

Pulte Home Company is currently in the process of constructing 40 condominium units at 1525 Alviso Street. The project was approved by Council on January 12, 2016.

DISCUSSION

Due to the redevelopment of the property located at 1525 Alviso Street, the electric easement encumbering the property has been relocated or determined to be excess, and is no longer necessary. To clear the unnecessary encumbrance on the property, the property owner is now requesting that the City vacate the easement. Staff reviewed the request and recommends that Council approve vacation of the easement.

ENVIRONMENTAL REVIEW

The potential environmental impacts of the project were addressed in the Mitigated Negative Declaration prepared for the project and approved by Council on January 12, 2016.

FISCAL IMPACT

There is no additional cost to the City other than staff time and expense.

COORDINATION

This report has been coordinated with Silicon Valley Power and the City Attorney's Office.
