SUBJECT

Youth Commission FY2021/22 Work Plan & Goals

BACKGROUND

The Youth Commission develops an annual work plan for each term which is created through a discussion of current trends relating to the youth and teen population. In recent terms, Commissioners have chosen a variety of goals including:

- encourage health and wellness,
- public outreach, environmentalism outreach and education, and
- foster inclusiveness in the community.

DISCUSSION

Youth Commissioners have prioritized their top priorities to consider for the FY2021/22 term work plan. Commissioners are expected to finalize their work plan and goals at the November 9, 2021 meeting, including but not limited to:

- Community Building: Multi-cultural activity;
- Youth Outreach: Food/clothing/essentials drive for those in need, acts of kindness, and public outreach;
- Youth Empowerment: Opportunity to highlight youth voices via open mic, newsletter, etc., TED-type talk.

Once approved, the final work plan goals will continue to be discussed, evaluated, prioritized and implemented in the context of resource allocation and public health guidelines for this term.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a “project” within the meaning of the California Environmental Quality Act (“CEQA”) pursuant to CEQA Guidelines section 15378(b)(5) in that it is a governmental organizational or administrative activity that will not result in direct or indirect changes in the environment.
