Agenda Date: 11/13/2018

SUBJECT

Youth Commission 2018-19 Work Plan & Goals Update

BACKGROUND

The Youth Commission develops an annual work plan for each term which is created through a discussion of current trends relating to the youth and teen population. In the 2017-18 term the following goals were selected based on priority and community needs: foster inclusiveness in the community; increase intergenerational awareness and opportunities; and increase youth understanding and participation in local government.

DISCUSSION

Youth Commissioners will begin narrowing the focus of discussed topics and ideas for the 2018-19 term work plan, and potentially develop and select actionable objectives. Commissioners will consider feedback from the Council and Commission Joint Meeting held on October 9, 2018. Themes include: Fostering Inclusiveness, Health and Wellness, Youth in Government, and Environmentalism.

ENVIRONMENTAL REVIEW

The action being considered does not constitute a "project" within the meaning of the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines section 15378(b)(5) in that it is a governmental organizational or administrative activity that will not result in direct or indirect changes in the environment.

PUBLIC CONTACT

Public contact was made by posting the Youth Commission's agenda on the City's official-notice bulletin board outside City Hall Council Chambers.
