REPORT TO COUNCIL

SUBJECT

Action on Bills and Claims Report (CC, SCSA, HA) for the period May 31st - June 20th

BACKGROUND

Disbursements made by the City are based on invoices submitted for payment. Prior to payment, staff reviews all disbursement documents to ensure they are reflective of the goods or services provided. Invoices are usually paid within 30 days of receipt of an accurate invoice. As the final step, the City Auditor, or her designee verifies all documents before payment is issued. Payments are issued through accounts payable checks and wire transfers. It's important to note that items that pertain to the Stadium Authority are billed to the Stadium Manager (ManCo) to pay on behalf of the Stadium Authority for Non-NFL events and the 49ers for NFL events.

The Bills and Claims Report represents the cash disbursements required for operations of the City during the period. The report reflects the payment date, invoice number, description of the payment, funding source, and payment amount for all invoices. The budget control is set by the City Council through the budget adoption process.

Significant expenditures in this time period include:

- Payment to Northern California Power Agency in the amount of \$9,735,366 for June 2019 all resources bill and Western Restoration fund.

Payments to ManCo are not included in the City's Bills and Claims report as they are currently reported through a separate Stadium Authority Bills and Claims report. Stadium Authority related payments in the City's Bills and Claims report include general administrative, materials, and supplies expenses of approximately \$146,485. Included in this amount are expenses to California Highway Patrol and San Francisco, City and County for traffic and crowd control for the March 26th event at the stadium. These expenses are reimbursed to the City by the Stadium Authority.
