### REPORT TO CITY COUNCIL

#### **SUBJECT**

Action on a request for a Special Permit to allow seasonal Pumpkin Patch and Christmas Tree sales events at 2610 El Camino Real from September 20, 2019 through December 24, 2019. (File No PLN2019-14007)

#### **BACKGROUND**

The applicant, Holly Prinz of ABC Tree Farms, LLC, is requesting a Special Permit pursuant to Zoning Code Section 18.60.030 to allow seasonal Pumpkin Patch and Christmas Tree sales events located at 2610 El Camino Real (the Moonlite Shopping Center). The property is zoned as for commercial use. Municipal Code Section 18.60.030 requires issuance of a Special Permit by the City Council in non-industrial Zones for any use not otherwise regulated within the Zoning Code.

The site is developed with commercial uses. Neighboring land uses include Saratoga Creek, multi-family residential and commercial development.

The Pumpkin Patch sales event is proposed to begin on September 20, 2019, and end on October 31, 2019, with setup commencing on September 1, 2019. The Christmas Tree sales event will begin on November 10, 2019, and end on December 24, 2019. The hours of operation for both events will be from 10:00 a.m. to 9:00 p.m., Sunday through Thursday, and 9:00 a.m. to 9:00 p.m., Friday and Saturday.

The proposed pumpkin sales event would include temporary tents, children's inflatable entertainment units, two office trailers, a dumpster area, and a storage container. The Christmas Tree sales event would include similar temporary facilities. Power will be supplied by Silicon Valley Power. The property is owned by Moonlite Associates LLC which has provided written authorization for the temporary use.

#### **DISCUSSION**

The proposed temporary use, with limited duration and operations proposed, is not anticipated to adversely impact the surrounding land use in that the events will occur over a limited time period and will be subject to conditions which mitigate its potential negative impacts, including a condition of approval that the use be conducted in a manner that does not create a public nuisance or private nuisance. Any possible impacts would also be offset by the benefit to the community from the event. The Special Permit is subject to revocation should a problem arise. Pumpkin Patch and Christmas Tree lots operated at this location in prior years have not resulted in any known negative impacts to the community.

The proposed project will allow the purchase of pumpkins and trees for the surrounding community. The proposed use could impact the availability of parking to support the host shopping center.

However, given the site context and the limited timeframe of the proposed use, the benefits of providing access to holiday décor outweigh the potential disadvantages, and conditions of approval help protect the surrounding community from adverse impacts.

**Draft Permit and Conditions.**

The proposed permit would be subject to conditions of approval as follows:

1. Special Permit shall be valid from September 10, 2019 through December 24, 2019; with set-up beginning on September 1, 2019, and breakdown/clean-up to be completed by December 31, 2019, with the following sales allowances:

**ENVIRONMENTAL REVIEW**

The action being considered is categorically exempt from formal environmental review under the California Environmental Quality Act (“CEQA”) pursuant to CEQA Guidelines section 15304(e) (Class 4 - “Minor Alterations to Land”) as it consists of “[m]inor temporary use of land having negligible or no permanent effects on the environment, including carnivals, sales of Christmas trees, etc.”
