REPORT TO COUNCIL

SUBJECT

Action on Bills and Claims Report (CC, SA) for the period October 25th - November 7th

BACKGROUND

Disbursements made by the City are based on invoices submitted for payment. Prior to payment, staff reviews all disbursement documents to ensure they are reflective of the goods or services provided. Invoices are usually paid within 30 days of receipt of an accurate invoice. As the final step, the City Auditor, or her designee verifies all documents before payment is issued. Payments are issued through accounts payable checks and wire transfers. It's important to note that items that pertain to the Stadium Authority are billed to the Stadium Manager (ManCo) to pay on behalf of the Stadium Authority for Non-NFL events and the 49ers for NFL events.

The Bills and Claims Report represents the cash disbursements required for operations of the City during the period. The report reflects the payment date, invoice number, description of the payment, funding source, and payment amount for all invoices. The budget control is set by the City Council through the budget adoption process.

DISCUSSION

Significant expenditures in this time period include:

- Payment to California EPA in the amount of \$5,400,000 for November 2019 Air Resources Board bid guarantee joint auction of Greenhouse Gas (GHG) allowance.

Included in this amount are expenses to Arini Geographics LLC, for July to September 2019 Stadium GIS Public Safety expenses and Santa Clara County Sheriff's Department for special law enforcement services at Stadium events.
